

la nostra scuola sta partecipando ad un progetto europeo intitolato DUNE-BB-EU sigla che significa "delinare centri europei d'eccellenza nel campo della formazione tecnico professionale votati alla digitalizzazione e alla sostenibilità". Il 26 febbraio scorso proprio la nostra scuola ha coordinato il 3° incontro transnazionale online che ha visto la partecipazione di docenti e dirigenti di istituti di Germania, Francia, Austria, Malta e Estonia . La registrazione dell'incontro e anche i singoli blocchi d'intervento sono peraltro reperibili sul canale YouTube della scuola. La scuola coordinatrice tedesca ha proposto come seguito all'evento un incontro online anche per ottenere il contributo dei genitori. In allegato troverete l'invito in inglese. Per partecipare occorre fornire la propria email. Il meeting verrà svolto in lingua inglese se vi saranno più nazioni partecipanti altrimenti è verosimile l'utilizzo del tedesco.
