

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
Math	English	History of art	individual study	French 2 <sup>nd</sup> language	Physical education
Italian as a foreign language prof. Izzo	Physics	Religion and social studies	Italian as a foreign language prof. Soffritti	History of art	Physical education
History	Italian	Italian phonetics 2 lessons / individual study	Italian	Natural science	English
individual study	French 2 <sup>nd</sup> language	History	Italian	Working with Chantal in French 2 <sup>nd</sup> language	Italian
Philosophy	Natural science	English	Math	Physics	Philosophy

Lessons run from 8.05 am to 1 pm. For PE bring useful material shoes and clothing. It would be good to bring swimming gear including cap if lessons will be held in the local pool just off the school. This is a tentative plan. Probably neither Brice nor Camille study Spanish or German so in those hours I'll try to put some Italian as a foreign language lessons. There will be about 3 hours devoted to self-study .
